

Monashee Area Youth Awards Ceremony  
Sunday June 3, 2018  
Herald Simpson Memorial Youth Centre

**Information for Guiders**

**GIRLS & GUIDERS:**

- Arrival time: between **12:45-1:00 p.m.** Check in at the Guiders' table upon arrival.
- **Ceremony starts at 1:30.**
- Please dress in **full uniform** for your branch (no jeans). Navy blue or dark-coloured pants/skirt. Sashes and scarves should be worn.
- Pictures will be taken at the ceremony. You are welcome to bring your own cameras if you wish - there will be a photo booth to take your own selfies.
- Please **DO NOT** bring extra gifts or flowers for your girls to this ceremony! There is a huge discrepancy between what various Districts/Units can present, and we don't want any hurt feelings. You can certainly give your girls a gift at another local occasion.
- Cost of the event is **\$10 per girl, which includes 2 guests. Each additional guest is \$5.** The girl cost has traditionally been paid by the Unit but it is up to you. Please bring a Unit cheque to pay for your attendees.

**GUIDERS:**

- Bring your awards with you! (Lady B-P pin, Canada Cord and Chief Commissioner's Gold Awards on ribbons). Guider(s) will go onstage to present the awards as their Unit is called; certificates are provided.
- RSVP by April 27, 2018, please send us the registration form with your girls' information. We will need this information for the introduction of each girl receiving an award.
- As soon as you arrive, please sign the girl certificates and put them into the envelopes. We have some good black pens for signing. **GIVE CERTIFICATES BACK TO REGISTRATION TABLE in order as on the program.**
- Let us know if any of your girls are **NOT** present please!
- Pin your Lady B-P pins to the cards where the ribbon is stapled. You will present these.
- Please indicate if any of your girls, guiders or family members have limited mobility in order to ensure an appropriate parking spot.

**AT THE EVENT:**

- Girl/Guiders will be ushered to their seats inside the venue following the Colour Party
- Guiders will be called up onto the stage by Branch and Unit.
- It is up to the Guiders to decide if more than one Guider is presenting. Some girls have a special connection with certain Guiders. Other Guiders can also be there to shake hands and congratulate. You are all welcome to be on the stage if you choose.
- Girls will be called up individually and will receive their award from their Guider, certificate from Area/District Commissioner, and flower from our special guest (ie. Deputy Provincial Commissioner).
- Photo will be taken of girl receiving their award.
- After presentation of award(s) girls/guiders will be directed to a 'holding area' and then directed to their seats once the next group is called.
- Once all awards have been presented, Colour Party will be dismissed.
- Girls & Guiders will be asked to take the stage for a group photo and then to file over to the flags for a formal photo with their Guider(s). Families are welcome to take photos with the flags once all formal photos are finished.

➤ Refreshments to follow.

We are looking forward to a special day where we can honour the hard work the girls have done and share a celebration with them.
